

PUBLIC NOTICE

Saturday 29th August 2020

Stanbic Bank Uganda would like to inform the public that employees at our branches in Metro and Mulago have tested positive for COVID-19 and are currently undergoing treatment. The branch staff are undergoing tests and have been self-quarantined for 14 days.

While contact tracing and testing is underway, **Stanbic Metro and Mulago Branches have been temporarily closed** for decontamination and will only be reopened with take-over team once we have received a Disinfection Certificate from the Ministry of Health.

Customers are encouraged to utilise our digital platforms including internet banking, USSD *290# and our Banking App where possible.

We appeal to all our customers and the general public to continue taking the right precautionary measures and observing the standard operating procedures (SOPs) established by the Ministry of Health to curb the spread of infections, protect our families and save lives.

Stanbic Bank Uganda remains committed in the fight against COVID-19 and together we shall overcome the pandemic.

Regards,

Management

Stanbic Bank Uganda
